HAIR REMINDERS:

All ballet students need their hair in neat, secure buns. To achieve a beautiful bun, pull the hair back into a tight ponytail at least halfway up the back of the head. Slick back all frizzies and fly away strands. Tightly twist the ponytail around with bobby pins. If you child has thick hair, you can divide the ponytail in half, twisting the hair in opposite directions. Use a fine hairnet to anchor the bun and continue using lots of bobby pins. Spray everything again with hairspray and you are ready to dance! All dancers must tightly secure headpieces for dress rehearsals and performances. Loose headpieces, ponytails, buns, etc. look very unprofessional!
