Carolina Dance Foundation's CDC Performance Companies are thrilled to bring back their beloved holiday performance of *The Night Before Christmas*. We hope you and your family will come support the ballet, jazz, and tap performance companies in this imaginative dance adaptation of the classic holiday tale. Performances will be held Saturday, November 9th at 7:00 pm and Sunday, November 10th at 3:00 (location and ticket information TBA). This festive production is the perfect way to get the whole family in the holiday spirit!

New Faculty Members

We are proud to introduce 5 new, outstanding faculty members to our CDC Family!

Bethany Luke - is rekindling her love of ballet and teaching by working with our beginning level ballet dancers on Friday afternoon/evenings. When she is not working as an OT at Wake Med Hospital, Bethany spends many additional hours at the barre each week as an inspiring instructor at Pure Barre - North Raleigh. We know our dancers will adore her kind, gentle, and nurturing approach to teaching!

Jayson Pescasio - is currently a soloist with the Carolina Ballet. We are thrilled to have him challenge our pre-professional level ballerinas each week.

Ruth Leney-Midkiff - has been a dancer, master teacher, choreographer, and coach for almost 40 years! We are so lucky to have her share her expertise with several of our ballet levels this season!

Lizzie Stone - received her dance training locally while attending Cardinal Gibbon's High School. She is currently majoring in Communication Media with a minor in Dance at NC State University. We are excited to bring her high energy and enthusiasm to our young hip hop classes at CDC!
