Carolina Dance Center Families,

We are excited to share some important updates regarding Summer Session 2022 and our new location with you! Our new home is in **Cornerstone Crossings shopping center, 8201 Rowlock Way, Unit 116**. We have appreciated your patience as we have worked diligently to find a safe, convenient location for our dancers and we can't wait to share all of the exciting new details with you... very soon! It has definitely been a challenge with current retail and construction costs and we apologize for the delay in providing our summer schedule. We simply needed to figure out where our classes would be offered!

At this time, we are pleased to begin registration for the FIRST 2 WEEKS of our summer session! We will be holding camps and intensives in our current location June 13-17 and June 20-24. From June 13-30, we'll offer drop in master classes for dancers of all ages and levels. These special master classes will be taught by guest teachers, current and former CDC faculty members and alum who will give our dancers one last chance to dance it out and say a final farewell to our beloved CDC home! Please stay tuned for more info including class days/times, dance styles and instructors.

We will take a two week break while we finish packing up and moving out (all volunteers welcome)! In mid July, we will host a fun kick off event to showcase our new home. We will also resume our camps/ intensives and launch our afternoon/evening class schedule for the rest of the summer. Our much anticipated Guest Artist Intensive is scheduled for August 8-12.
